Ancient People of South Florida

This traveling trunk is a great way for students to learn about the Seminole and Miccosukee tribes of Florida through the items they have created.

This traveling trunk offers an exciting educational unit about south Florida's early inhabitants, the Calusa, Tequesta, Jeaga, and Belle Glade Culture. Students will explore how these early people lived prior to and just after the arrival of Europeans in Florida.

The Pioneer Trunk offers an exciting educational unit about Palm Beach County's pioneer history (1860-1893). Students will explore how the settlers lived in the late 19th century in a sub-tropical area that is now Palm Beach County.

The Holocaust trunk includes a teacher guide with lesson plans, books, a classroom set of Jacob's Rescue, photographs, posters, DVDs, a teacher guide on teaching the Holocaust for educators to use with other lessons, and other items.

To reserve a trunk contact the Education Coordinator at 561-832-4164 ext. 104 or email: rguerrero@hspbc.org

Growin' Things: Agriculture in Palm Beach County brings to life the science and development of one of the most foundational parts of our county's history: agricultural. Use this trunk to teach the agricultural heritage of Palm Beach County and even how to create your own classroom or school garden.

This trunk engages students in the study of Europeans who explored and claimed La Florida for Spain, to the founding of St. Augustine. Students will learn about navigating the ocean seas to the Spanish arrival through lessons and hands-on activities.

The Civil War trunk provides your classroom with lessons and activities focused around the battles fought in Florida and the difficulties of life on the home front. Students will explore how these early people lived prior to and just after the arrival of Europeans in Florida.
